

Looking at Me...

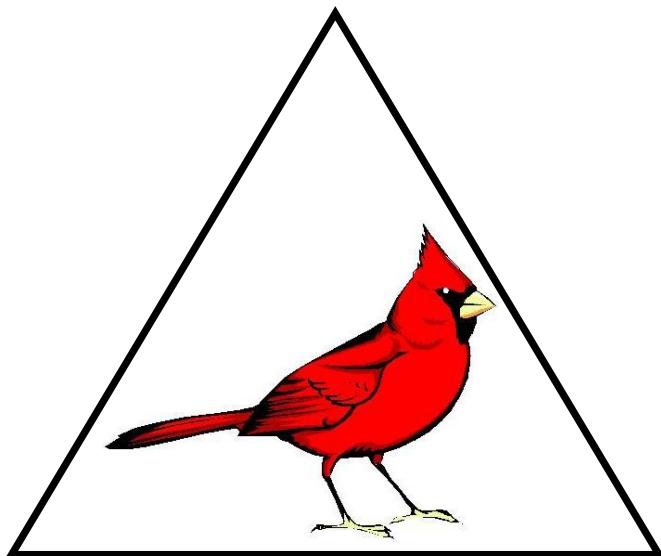

I see a bear

in a rectangle,

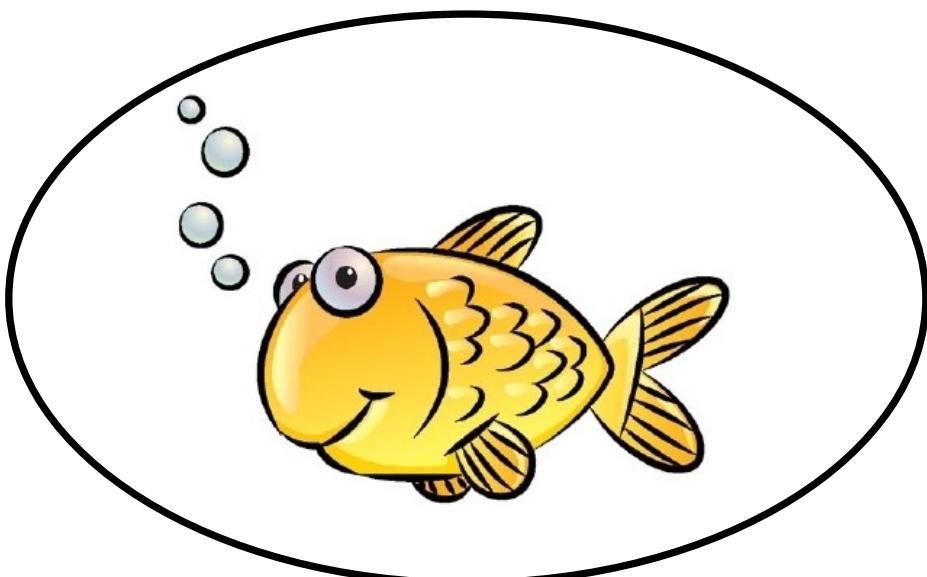

$$1 + 1 + 1 = 3$$

I see a bird

in a triangle,

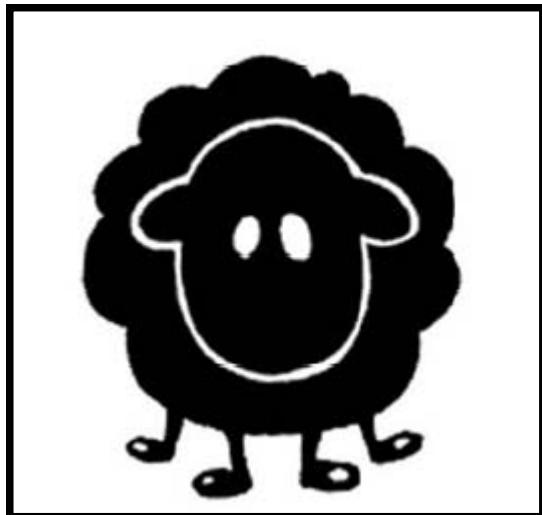

I see a fish

in an oval,

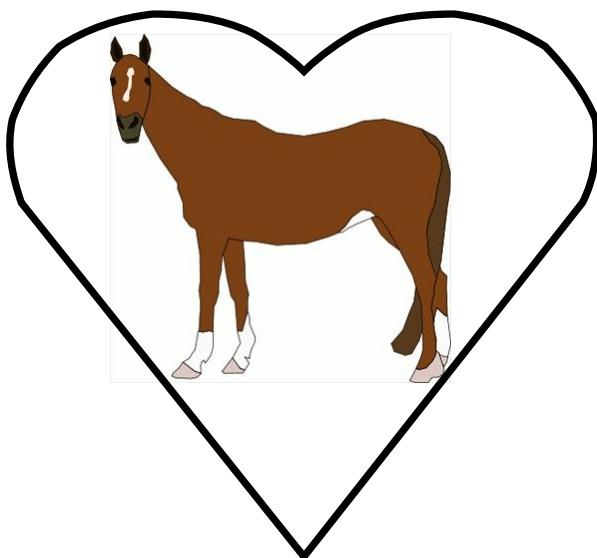

$$1 + 1 + 1 = 3$$

I see a sheep

in a square,

I see a horse

in a heart,

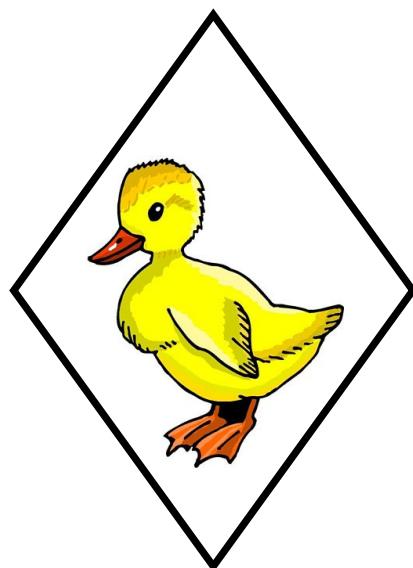

$$1 + 1 + 1 = 3$$

I see a frog

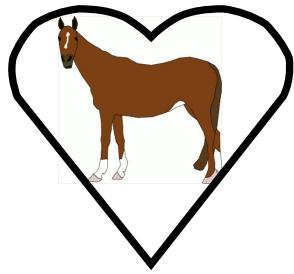

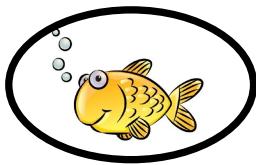

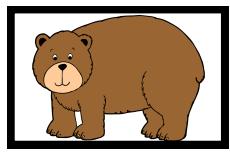

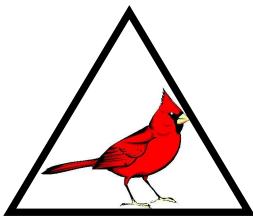

in a circle,

I see a duck

in a diamond,

$$1 + 1 + 1 = 3$$

Looking at ME!

$$1 + 1 + 1 = 3$$
