

These ABC printables are based off of a poem I found online called The ABCs of Christmas. I did not write this poem, so I cannot provide a printable of it, but you can find it here and print it off yourself!

The ABCs of Christmas

The ABC's of Christmas

A is for the Angel who sang, "Peace on Earth",

B is for the bells that rang out the Baby's birth.

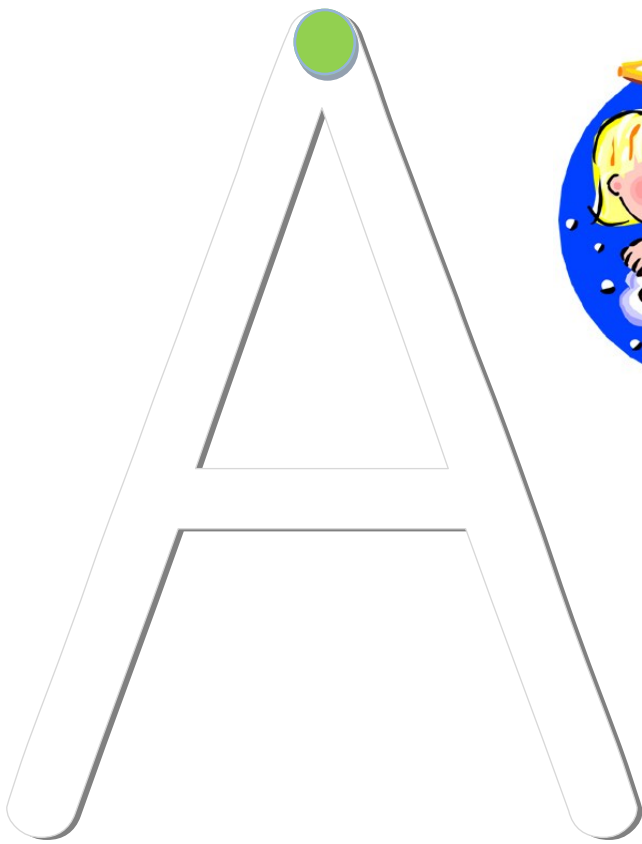

C is for the Christmas candle, lighting up the night,

D is for the drum that makes one boy's Christmas bright.

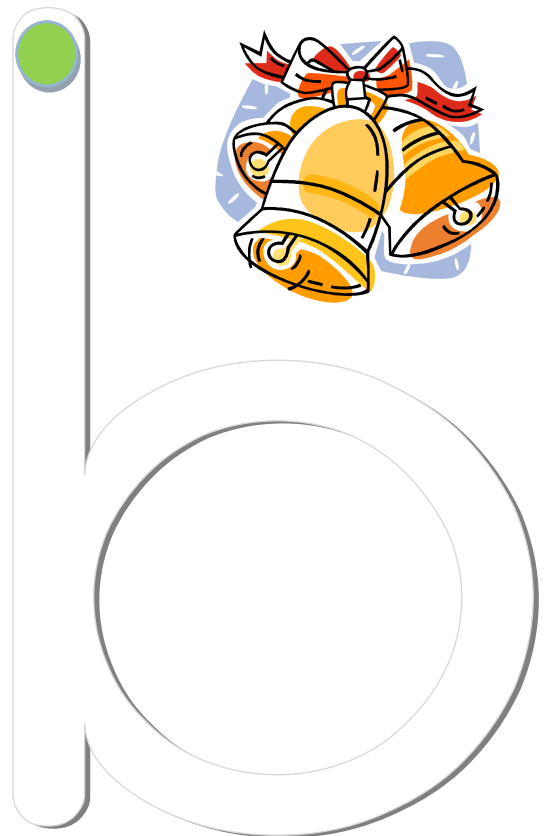

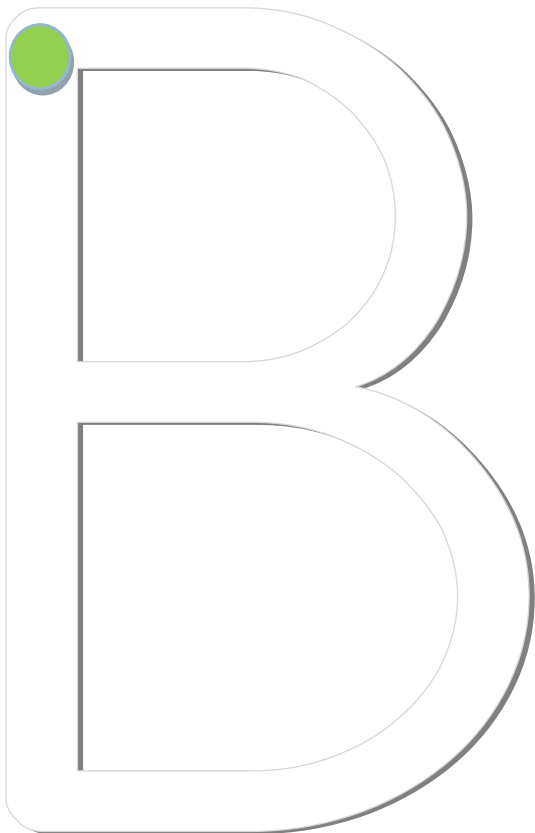

E is for the Eve when we're all excited!

F is for the fun when the tree is finally lighted!

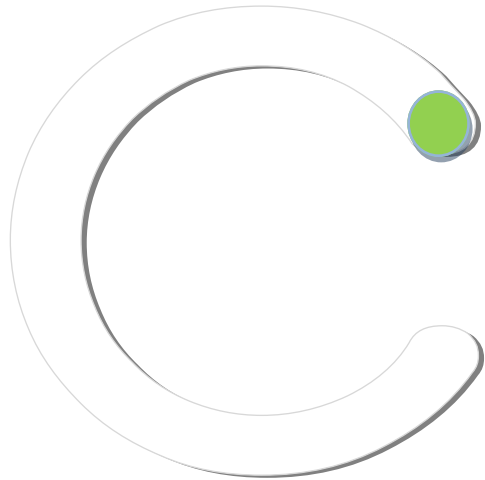

I plan to use these to have Krash practice tracing the letters {probably 2 per day} as we read through the poem each day. You could also use these as Play Doh mats, or have your younger child color in the letters, or use their finger to practice tracing. The green dots are just to show where to begin. When complete I plan to staple ours together into a keepsake booklet.
