

Hi! Thank you for visiting [1+1+1=1](http://www.1plus1plus1equals1.com) and finding a resource you'd like to use! Please feel free to use these files for your own personal use. I provide them free of charge to bless others!

If you want to share, you may share these forms with others by sharing a link to my blog or to the page that hosts these files. Please do not link directly to just the PDF files (the link you are at now).

It is my prayer that others are blessed through my blog and any files I share!!!

~If you ever notice a typo, please let me know, a few slip by me now and then and I certainly want to fix them!

God Bless,

Carisa

Clip & Learn Shapes

Print on cardstock and laminate if possible. Cut out the learning circle. Use a set of clothespins with shapes attached to them, or make your own using the shapes at the bottom of this page, or drawing them simply with a Sharpie. Have your child find the hidden shape on the image and use their little hand muscles to clip the correct clothespin on the wheel!
