

# The Frog Lives in the Pond

The frog lives in the pond  
Her tongue is oh, so long.  
It reaches high to catch a fly.  
The frog lives in the pond.

# I'm a Little Turtle

I'm a little turtle with a shell,  
I have four legs, a head, and a tail,  
When I get so scared I want to hide,  
I pull my head and legs inside!
