

Hi! Thank you for visiting [1+1+1=1](http://www.1plus1plus1equals1.com) and finding a resource you'd like to use! Please feel free to use these files for your own personal use. I provide them free of charge to bless others!

If you want to share, you may share these forms with others by sharing a link to my blog or to the page that hosts these files. Please do not link directly to just the PDF files (the link you are at now).

It is my prayer that others are blessed through my blog and any files I share!!!

~If you ever notice a typo, please let me know, a few slip by me now and then and I certainly want to fix them!

God Bless,

*Carisa*

# Help Andy's toys get to his room!

Cut out and tape together the two strips to make 1 long patterning board. Use the images on the previous to work on different patterns with your child!

# Color Matching

Use the cards on the next page to play a matching game and also to work on color words! Have your child find the color in each image before playing a memory game!

# You've Got a Friend in Me

You've got a friend in me, You've got a friend in me  
When the road looks rough ahead,  
And you're miles and miles from your nice warm bed  
You just remember what your old pal said,  
Boy, you've got a friend in me,  
Yeah, you've got a friend in me

You've got a friend in me, You've got a friend in me  
You got troubles, and I got them too  
There isn't anything I wouldn't do for you  
We stick together, we can see it through  
Cause you've got a friend in me  
You've got a friend in me

Some other folks might be a little bit smarter than I am  
Bigger and stronger too, Maybe  
but none of them will ever love you the way I do  
it's me and you, boy

© Disney/Pixar

And as the years go by,  
Our friendship will never die  
You're gonna see it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me

A friend

loves at

all times.

Proverbs  
17:17a
