

Hi! Thank you for visiting [1+1+1=1](http://www.1plus1plus1equals1.com) and finding a resource you'd like to use! Please feel free to use these files for your own personal use. I provide them free of charge to bless others!

If you want to share, you may share these forms with others by sharing a link to my blog or to the page that hosts these files. Please do not link directly to just the PDF files (the link you are at now).

It is my prayer that others are blessed through my blog and any files I share!!!

~If you ever notice a typo, please let me know, a few slip by me now and then and I certainly want to fix them!

God Bless,

Carisa

Vocabulary tracing strips can be used in many ways. Your child can color, cut, & trace-or any combination! After words are cut out, you can tape them around the room for a theme word hunt! Use trace for older kids, solid font for younger tots who aren't tracing yet!
